

**IN THE UNITED STATES COURT OF APPEALS
FOR THE NINTH CIRCUIT**

THE ESTATE OF ISABELLA “BELLA”
HERNDON, JOHN HERNDON, J.H., a
minor, AND T.H., a minor,

Plaintiff-Appellants,

v.

NETFLIX, INC.,

Defendant-Appellee.

Civil Appeal No. 22-15260

**REPLY ON FINAL MOTION FOR EXTENSION OF TIME TO FILE
APPELLANTS’ OPENING BRIEF & EXCERPTS OF RECORD**

In reply, there are three key points to clarify, most importantly that the present Motion is unopposed.

First, the Response confirms that the requested two-week extension is **unopposed**. See Opp. 2 (“Netflix does **not** oppose a two-week extension provided that this is the last and final extension.” (emphasis added)).

Second, Plaintiffs’ description of their intention to file a forthcoming overlength-brief motion is aligned with the protocols set forth Ninth Circuit Rule 32-2(a). See 9th Cir. R. 32-2(a) (instructing that an overlength motion should be filed with an attached declaration and attached copy of the proposed overlength brief “on or before the brief’s due date” (emphasis added)).

Third, if the Court denies the overlength-brief motion, the ordinary a week or so of time to edit down the brief is doable, barring extenuating circumstances.
